Important consideration when deciding to participate in Egg-Safe school lunch offerings:

Pomptonian's staff prepares and cooks a wide variety of meals and does not have separate equipment and space for egg-safe (ES) meal preparation. To minimize the chance for cross-contamination, the ES items that are available for pre-order, are prepared by trained staff with, as per the manufacturer's label, egg-safe ingredients. Pomptonian works with manufacturers with Good Manufacturing Practices; however, foods may be produced in a facility containing known allergens.

Cut at this line and keep the above menu portion for your reference.
 Please submit lunch forms promptly. Late submissions may not be properly recorded.

Please use the codes listed above to indicate your selections *for the month* on the order form below and return it by 1 week prior in an envelope to your school cafeteria. Please send in payment by check with orders. It is important to go over the menu with your child. If your student is going to be absent on a day that lunch was ordered, please call the Food Service Director at 201-670-2800x20593 between 8:00 & 8:30 a.m. the morning the student is to be absent.
